EDUCATION

Secondary Education

2016–2018

The Educators Al Aleem Campus, Okara

Completed secondary education, focusing on core science and mathematics subjects.

Intermediate Education

2019–2021

Punjab College

Completed intermediate studies with a focus on Pre-Engineering

Bachelor of Computer Science(BSCS)

2021–2025
(Expected)

COMSATS University Islamabad, Sahiwal Campus

Currently enrolled in the final semester of the Bachelor's degree program specializing in Computer Science.

PROJECTS

Web Developer

2022–Present

Self-Initiated Projects — Remote

Designed and developed responsive websites using HTML, CSS, Bootstrap, and JavaScript. Implemented modern web design techniques and optimized user interfaces for seamless experiences across devices. Managed the entire front-end development cycle, ensuring high-quality coding standards and usability.

HostelMate – Final Year Project

2024–2025

COMSATS University Islamabad, Sahiwal Campus

Designed and developed a mobile-based hostel management system for CUI Girls Hostel. Built using Flutter, Firebase, and GetX. The app supports role-based login for wardens and students, real-time room allocation, attendance tracking (location-based), mess schedule management, complaint and feedback submission, and notification handling.

Key Features: Flutter UI, Firebase backend, real-time sync, role-based access, secure authentication.

Project Team: Areeba Zia, Muskan Fatima, Farhat-ul-Ain

Supervisors: Dr. Zafar Iqbal Roy, Ms. Tahreem Saeed
